"Rog & Ade" — Mr. and Mrs. Roger Kreiter
Chester Springs, Pennsylvania
1963 Falcon Futura Convertible —Original Owner

APRIL 2002

Cover Falcon — Roger Kreiter

I graduated from The Ohio State University in May 1963, and like all my classmates, I had to go out and buy a new car! Compacts were big that year, so I quickly focused my attention on either a Corvair or a Falcon convertible. I bounced back and forth between two dealers near my hometown of Shadyside, Ohio.

I finally picked a White Falcon Futura convertible that I purchased in Wheeling, W.Va. Several days after my purchase, I got a call from the Corvair dealer. After telling him I had bought a car already, he asked what I bought. When I told him it was a Falcon, he replied "Oh my God", as if I had made a terrible mistake!

After showing off my new convertible in Ohio, I drove across country to California, in the Bay Area, where I began my new job with Lockheed Missiles & Space. I drove my Falcon all over the state of California, visiting many state parks and historical sites. In 1966 I met and married my wife, a native of San Francisco. We drove off from our wedding day in my Falcon on May 28, 1966. Thirty-two years later we posed again in the very same car.

In 1967, we moved to southeastern Pennsylvania where I began a new job with General Electric Aerospace, driving the Falcon again across the USA.

After driving the Falcon as a second, and even third car, I finally retired it to my garage in 1985. In the

summer of 1998, my daughter's fiancé, who had worked part-time in a garage, asked if he could try to get my dirt-covered, flat-tired convertible running again. In a couple of months, many trips to our local PEP Boys, and about \$650, we were successful, and the car passed state

inspection. One of the key milestones in our early repair work was the day we installed a new battery and found that the engine turned over and that all the lights, wipers and radio still worked! Nearing completion of our restoration, I began digging up my original owner's manual, all the old license plates, and a folder containing most of my repair receipts saved over the life of the car.

I had some fun making a list of all the various parts replaced on my Falcon over the years, including several parking brake handles, thermostats, mufflers, points, voltage regulators (at least five of these!). My Falcon still has the original Corinthian White finish, interior black bucket seats, red-white-blue trim hubcaps, and carpets. It has a total of about 140,000 miles on its 170 cu inch "Special Six."

I joined the FCA in 1998, and attended the Keystone Chapter Show in Reading, Pa the end of that summer. I had not seen that many 1963 Falcons since I drove my car away from the dealer's lot in 1963! I enjoy the Falcon Club of America. — Roger Kreiter

President's Message

Wow, the car show season is upon us. With two great regionals this month, lots of FCA members have something to look forward to. The Suncoast Chapter always does a tremendous job with the Florida Regional. Sunny California, is the site of the Pacific Regional this year with the Central California Falcons as the hosting Chapter. Don't forget to put the Mid America Regional on your plans for next month.

While in the "thank you" mode, I'd like to take this opportunity to thank our Vice President, Russ Hoeksema, for his tremendous efforts in putting together our 2002 FCA Membership Directory. I speak on behalf of all the FCA members in saying "Thank You"! Russ, we appreciate your hard work and dedication to this formidable task.

Based on some initial feedback, a few of the directories were assembled incorrectly. If you have not received your directory or you received one with duplicate or missing pages, please contact Ruby Throgmorton, Corresponding Secretary. Carry this directory with you, and use it in your travels.

A reminder - Our membership directory is not for sale and is not to be used for solicitation purposes by members or non-members. The FCA expects all members to respect the privacy of fellow members.

If only 10% of the FCA membership show up with their Falcons in Nashville this summer, we would meet Dale's challenge of 300 Falcons at a National! The Music City Chapter is ready to welcome you to their fine City! Make plans now to attend. You will not be sorry!

Remember when you are sending out your chapter Newsletters to include your Regional Director on your mailing list. Carol and I enjoy all of the chapter Newsletters we have received over the years.

See Y'all in Nashville,

Steve & Carol

IS YOUR ADDRESS CHANGING? NOT RECEIVING YOUR NEWSLETTER? NEED TO RENEW YOUR MEMBERSHIP?

Please address all membership concerns and questions to Ruby Throgmorton, Corresponding Secretary. Find her address in every issue of the Falcon National News or email: RubyRTFCA@aol.com

Chapter News

ONTARIO CHAPTER JOINS UP WITH ERIE CANAL CHAPTER FOR LAST FALL OUTING

On Sept. 22, 2001, the Ontario Chapter, Falcon Club of America held its annual fall picnic at the Farm Museum at Milton Ontario. Despite the not-so-great weather we had an enjoyable day. Our friends from The Erie Canal Chapter joined in as well. We had 10 Falcons on display as well as some members attending without their cars. There was a huge craft sale going on as well so the ladies got to do a little early Christmas shopping. Instead of our customary 50/50 draw we took donations for the Red Cross to be forwarded to the relief fund in New York City. We collected \$50.00 and the Ontario Chapter matched that with another \$50.00 to help our American friends.

After joining our friends at the Erie Canal Chapter in October for their fall picnic, it was time to put the Falcons away for the winter and start getting ready for the FCA National Meet in Nashville.

— Submitted by Jim and Ann Norman, Ontario Chapter

BLUEGRASS CHAPTER HAS FIRST CLUB MEETING

The Bluegrass Falcon Chapter (Kentucky) was approved by the FCA in November. We are very excited and looking forward to a great year. This photo was taken at our first organizational meeting. The Chapter is considering going to the Carl Caspers Show, and if, accepted, we are planning to tell everyone how great the Falcon Club of America is and let them know about our local chapter. We are all excited about the Nationals and can't wait to go! As a new branch of the Club, we want to be positive and prosperous. We will spread the word about these beauties and what it means to own and enjoy one.

— Submitted by Dale and Angela Daugherty

Falcon Club Store — T-Shirt Season Ahead!

These are just three of the cool designs you can get from the Club Store! Check the listing below and place your order!

Message from the Vice President

Suggestions and Corrections Sought for FCA Membership Directory

As many of you know, I have been working with Ruby Throgmorton converting our membership data base from an ancient Apple system to be more up-to-date. This has been a long and tedious business since there is no easy way to transfer the data and it has to be compared line by line. Unfortunately, errors are bound to occur.

The Membership Directory was printed using the new database. With the help of members who notice something we missed and bring it to our attention, we can make the necessary corrections. We need and appreciate any help you can give us.

Right now we are keeping our membership files in parallel on both systems until we are satisfied they both

are in agreement. Getting the Membership Directory out using the new data base was the first step in making sure our data was accurate before we switch over.

Corrections should be forwarded directly to Ruby Throgmorton, our Recording Secretary. This will save unnecessary correspondence as Ruby keeps track of all the membership records. Her address is in each newsletter or email her at RubyRTFCA@aol.com.

Thanks again for your concern and cooperation. We do appreciate members comments and help on any corrections that need to be made.

Russ Hoeksema
Vice President

Calendar of Events

- April 21** **32nd Annual Flea Market and Car Show**, Fitchburg, Mass Airport, 8 AM - 2 PM. Take Route 13 from Route 2, 13 miles west of I-495. \$5., children free. 20 x 20 space, rain or shine. How to Advertise in The National Falcon News

Email your classified ads to: wcrosby63@earthlink.net

To Advertise: FCA members are entitled to two free ads per issue (limit 50 words per ad). Each ad must appear in a different section of the Classified Ads. Additional ads per category are \$10. each. The FCA will not be held responsible for errors (legitimate errors will be corrected in the next issue when requested). All ads for the classified section must include a members name, location and FCA # to be considered a free ad. All items advertised for sale must have a price. **Ads to run in more than one issue must be resubmitted each month.** Non FCA member ads are \$10.00 ea. Ads must follow the same guidelines as member ads. Picture ads will be an additional \$20.00 per picture. Payment must accompany the ad, with check payable to the Falcon Club of America. **All ads must be sent by mail or e-mail to the Editor, Wendelyn Crosby, 16318 Riggs Rd., Stilwell, KS 66085. NO PHONE CALLS OR FAXES FOR ADS — NO EXCEPTIONS!** If you have Internet access, please email ads to WCrosby63@earthlink.net Ads must be received by the **first of the month for the following month's** issue. The FCA reserves the right to refuse advertising from any person or business.

ALL ADS MUST INCLUDE YOUR LOCATION.

IT'S GOOD TO KNOW WHAT TIME ZONE YOU'RE CALLING.

I have started a new website registry for 1963 Rancheros originally equipped with the 260 V8 engine and Borg Warner T-10 4-speed transmission. The URL is: <http://63ranchero.fordregistries.com/>. I can be reached by e-mail at lwblumjr@juno.com or by phone at 850-475-8836. My address is 1715 Eagle Terrace Cantonment, FL 32533-3800. I am located in the Pensacola, Florida area which is in Northwest Florida in the Central Time Zone. (And yes, Nick King has already registered his '63 Ranchero.) Thanks and have a great Falcon day! Larry W. Blum, Jr., Pensacola, Florida. FCA #09509

Chapter News

Keystone Chapter

WHAT A SUPER DAY FOR A FALCON MEET! Twenty-two Falcons showed up for the L.B. Smith Ford meet in Lemoyne, PA (across the river from Harrisburg). Homer Hetrick and his staff rolled out the red carpet for the Falcon Club. Hot dogs, sausages, chips, pretzels, sodas and coffee were provided for lunch. A local radio station, WHP, was advertising the meet all week and was there Saturday for a live broadcast. Bruce Wolfe was interviewed for some comments on the Ford Falcon Club.

This was the first meet at L.B. Smith Ford for the Keystone Chapter. Several of our friends from the Mason Dixon Chapter drove in from Maryland and Virginia to help boost the attendance and give the public some more great Falcons to check out.

The meet was a great success and Homer asked us to come back again. I would like to thank Andy Brown for organizing this meet. JOB WELL DONE!

Jon Shuppy — Park City, Utah

My 1963 Falcon has had plenty of washes since I was a boy of four years old. It was purchased at Harry A. Byszantz Ford in Glendora, California in 1963 and was our family car when we were growing up. The Falcon made many trips from California to Grandma's and Grandpa's in Salt Lake City during my youth. I remember sleeping on the package shelf under the rear window during these trips, with the air blowing in serving as air conditioning.

When I was fifteen, my dad sold it to me for \$150. It needed engine and suspension work, so I spent most of my auto shop hours restoring the mechanicals. During High School in Salt Lake City, it was parked out with the Camaro's and Trans-Am's in the far reaches of the parking lot. It was "just" a Falcon, but I always thought it had classic car looks. On a teenager's income, I bought NOS parts for a future restoration. I wish I had bought more parts, I paid \$80. for a NOS grille back then! I "shelved" my hobby while raising my family since 1985. It has remained garaged since then, except for the occasional ride around the block. It has some rust now, but the paint is as shiny as new.

I have renewed my Falcon hobby in the last year by developing a new Falcon Web Page, the "Falcon Registry" website. Features include VIN decoders for 1960-1970+ Falcons, a Falcon Registry, Owners List, Photos page, Technical, History, instant Ebay searches, and Falcon links pages. Register your Falcon TODAY! It's free, it's fun, and the decoders should be the most accurate available.

Jon Shuppy
email: falcon_reg@yahoo.com

The Falcon Registry: <http://www.falconregistry.com>.

Darold Lowe — Milroy, Pennsylvania

Here is a photo of my 1963 Falcon Futura 2dr hardtop (V/8 3-speed stick) that I purchased new in 1963.

After driving the Falcon for 5 or 6 years here on our salty winter roads of Pennsylvania the front fenders rusted through very badly in the areas just above the headlights and behind the wheel wells.

My solution back then was to swap the entire front clip from a 1963 Comet. As you can see from the photo, I removed most of the Comet trim and installed the original Falcon trim. I repainted the entire car in the original Falcon blue.

Drove the car for another several years before selling it. It was a great car and I wish that I still owned it. I'd be interested in hearing from anyone who may have seen the car or knows where it may have wound up.

I presently own a 1963½ Falcon Sprint convertible which I totally restored in 1983.

Thanks for your help locating my hybrid.

Darold Lowe (FCA# 907)

AUSTRALIAN FALCONS

I just got my Australian Stamp bulletin and was surprised to see that Australia has released stamps on "Motor Racing." Lo and behold — there was a 72 John French's Ford Falcon XY GTHO. Maybe somebody from Australia can tell us more about this car.

— Submitted by Arvind Mallya
(1963 Falcon HT)

THEN & NOW

James Miller, North Carolina

"Only in America" racing history can you find such stories. Carolinas Chapter member James Miller bought this 1960 Falcon to make a race car for his friend Dale Earnhardt.

Miller is pictured in this photo, just to the left of the number eight. This 1960 Falcon Sedan was owned by James Miller and built by him for Dale Earnhardt who drove the Falcon.

Yes, this two door, 6 cylinder bird with a 4 speed has been flown by the best; Dale Earnhardt. Dale started driving James Miller's 1956 Ford Race car in 1971. That winter James and Dale, with Frank and Bob Aldridge and

his brother Jerry Aldridge and James Miller's two sons; Aaron and Jeff Miller, built the Falcon. It had a 240 - 6 cylinder all Ford motor and Bashell carburetor and headers; with "Towel City" tires.

Dale ran the first race of that year and won in the Falcon. James Miller doesn't remember how many more Dale ran with his classic.

James Miller and company found the yellow bird with the black top through a friend. He realized that Falcons were collectible in 1971.

Most outstanding features: looks good and runs fast.

— Submitted by James Baxter.

NOW & THE FUTURE...

Jim Gerdom
Kansas City

Industrial Designer Jim Gerdom has artistic vision for his 1964 Falcon. Shown here in present and possible future states, the Design Factory founder plans to re-create the car someday, but not necessarily in time for the Mid America Regional Meet in May! He has, however, designed the T-Shirt for the Mid America Meet and it's sure to be a classic. Use the Registration form in this issue to order yours now!

2002 National Meet Update

FALCON MIGRATION

Five of the six routes now have Route Captains, listed below:

I-40 Eastbound Jerry Miles 405-478-1550

jhmyoga1@msn.com

I-40 Westbound Carl Henderson 703-799-0795

alconfay@msn.com

I-24 Westbound Walt Didomenico 954-421-2915

waltmail@mindspring.com

I-24 Eastbound Cliff Mckay 316-838-7487

hiflyer@kscable.com

I-65 Northbound Larry Blum

lwblumjr@juno.com

I-65 Southbound — Need to fill this soon

Each Route Captain is establishing an itinerary that will allow persons to join as the group progresses. Contact the person for your area and get in the extra fun and fellowship this offers. You do not have to be driving a Falcon to join in but it would be nice since that is one less car for the 300 set goal. This will provide help if needed, fellowship along the way and you will be part of an historic event of the FCA Nationals.

Someone will provide media coverage for each route, sending pictures and articles for the Falcon National News and other media outlets. We will film the arrival of each group and hope to have local coverage. Just imagine the sight of 50 or more Falcons cruising down the Interstate: AWESOME!!

TOURS AND ACTIVITIES

Changes in ownership dictate a change in the Convention Schedule of Events. The Ford glass tour is canceled. Visteon, the new owner of the facility is not receptive to our expected numbers. So there will be a change of activities.

Instead, we will take pace laps around the NEW Nashville Superspeedway! This is a mile and a third flat concrete track that has been open a year. This is scheduled to take place Friday, July 26.

Additionally we will move the Ice Cream Social to Friday night with the cookout and leave Thursday night open to see the town.

DISPLAYS

We will have a display area that has some historic vehicles and some unique vehicles as well as some informative vehicles. These will not be judged or awarded, but will certainly be enjoyed by all. Previously we scheduled the Steam-powered Falcon, Bob's display of a 5.0 engine and AOD transmission in a Falcon frame outfitted with a Mustang II front-end.

We have just confirmed Daddy Warbucks, the Ford sponsored drag car of the 60's driven by Phil Bonner and now owned by Dick Estevez!! And a second car of Ford racing history is to follow. We still need help to arrange transportation for the Falcon Cayuse from Minnesota to Nashville and return. If you can help in any way please contact Bob. We are working hard to add to this list of unique Falcons that will be attending.

CHAPTER MAILINGS

The first of several chapter mailings has been completed. This will help provide the information and assistance to all chapter members. However, there are a lot of non-chapter members and we want to insure that you are not left out. Please use our website:

www.mccfca.com, or feel free to email or call. Do not hesitate, we are at your disposal. Future mailings will include maps into the meet site, Visitors Guides for the Nashville area for 2002 and up to date on all aspects.

DONT FORGET

Valve cover racing...

BANQUET/AWARDS CEREMONY

This promises to be an award-winning performance. We have gourmet food, TV personalities, BIG door prizes and an unknown loud-mouthed MC. As we have with our Regionals we will hit-it and get-it, allowing plenty of time for parking lot racing afterwards. Get your seat early and prepare to be entertained.

REGISTRATIONS

As of March 1, we had 125 registered. This is good! But remember, our goal is 300. For those of you planning to leave the "Bird" at home and flying in or in a brand X — **FORGET ABOUT IT!!** The trip is fun and easy if you join the Falcon Migration. What if you left your car at home and your Falcon would have been #300?

This is the once-a-year event and only event of the FCA. Show your pride in your FCA membership and your Falcon. This event will be as good and as much fun as we all make it.

To date we have 24 chapters represented with Mile-Hi leading and Carolinas and Mason-Dixon tied for second. We have 28 states and Canada represented. Be part of this Falcon celebration, help make the memories.

Bring your street rod and plan on going to their show too. Information will be available.

Rooms will be hard to find so make your reservations early!

Then & Now

Jan and Ron Brown
Ft. Lupton, Colorado

Jan and Ron Brown started going to Falcon National Meets in 1985. They have only missed ONE meet since then! The photo above was taken at their very first convention in Overland Park, Kansas in 1985.

Ron is Mountain Regional Director and Jan is Chapter Coordinator for the Falcon Club of America. They are active members of the Mile Hi Chapter.

The photo at right shows Jan using her time and talents now to model and market products for the Falcon Club Store (see more on page 6).

Carolee Anderson
Woodbridge, Connecticut

Carolee Anderson of Woodbridge, Connecticut captured her Falcon under 12 inches of snow on a cold February day. Unfortunately, the tenants in her apartment house don't have garages. With Spring quickly approaching everywhere, it's nice to know this scene is "Then" not "Now."

NOTICES

Forming a new Virginia Chapter of the FCA. The area to be covered will be 150 mile radius of Richmond. Anyone who is interested in joining a family oriented, active Falcon club please contact Lee Salisbury at 804-226-4791 or clouddancer01@mediaone.net. I will return email or phone messages promptly.

A new FCA chapter has just been formed. The Northland Chapter is looking for Falcon owners in Minnesota, North and South Dakota, northern Iowa, and western Wisconsin. We hope to have several meetings this year. Please contact Doug Arntson for more info at 763-420-3050 or 63sprint@mediaone.net.

THE FALCON CLUB OF AMERICA, INC. is a nonprofit organization dedicated to preserving the FALCON Automobile built by the Ford Motor Company from 1960 to 1970. The FCA was founded by Roy Sword in 1979 and is incorporated under Arkansas state law. Yearly dues to The Falcon Club of America are \$25.00 (\$30.00, payable in U.S. funds outside the United States) and are payable to: The Falcon Club of America, P.O. Box 113, Jacksonville, AR 72078-0113. The **Falcon National News** is published monthly with information from its members. **All copy and advertising for The Falcon News should be sent to the Editor, Wendelyn Crosby, 16318 Riggs Rd., Stilwell, KS 66085.** Please mark "FCA" on outside of envelope. E-mail address: WCrosby63@earthlink.net

NOTE: The club will send a notice to each member the month before membership expires. Be sure to send your renewal in early to retain your original membership number. If you do not renew your membership within 90 days after it has expired, your membership number will be placed in the inactive file and will no longer be used by the club. See renewal date on mailing label.

FALCON CLUB OF AMERICA MEMBERSHIP APPLICATION

We are the **THE FALCON CLUB OF AMERICA** and
we are **STRONG** in our conviction and dedication.

WHY A FALCON CLUB?

FCA was formed to band together owners of the Falcon automobile to provide an exchange of ideas, technical information, amusing reminiscences and the availability of parts (often at a substantial discount). Lasting friendships are formed through local get-togethers and at the Club's National Meet each year.

WHAT MEMBERSHIP MEANS

Whether your Falcon serves as everyday transportation, a relaxing plaything, or both, you'll find valuable help in your preservation and restoration as well as interesting facts and information from the Club and many fellow Club Members.

Our Newsletter, "**THE FALCON NEWS**" is sent out each month to all the Club's Members and contains information so valuable you will want to file it away for future reference.

WHO BELONGS?

FCA has people of all ages — from retired folks to teenagers still in school. Among our members are men and women of all professions; individuals who could certainly afford more costly or newer cars if they chose.

PREMIUM PACKET

Every new member receives a New Member Packet upon payment of dues. This includes a personal membership card, Falcon Club cards to pass out to others who might be interested in the Club, and a copy of the latest Newsletter.

Dues are \$25.00 a year (\$30.00 outside the United States — U.S. Dollars)
payable to **THE FALCON CLUB OF AMERICA**
